

**DEADLINE**

Friday,  
August 7th 2020

gamescom award honors outstanding games and products presented within the frame of gamescom 2020. Organizer of the award is the Digital Gaming Culture Foundation. To evaluate and rate the award submissions, the organizer composes an independent and internationally-staffed jury. By submitting a game or product to gamescom award, a company agrees to the regulations of gamescom award 2020. They can be found [here](#) (German) or [here](#) (English), near the bottom of the page, under the respective subheader.

## Checklist for submission to gamescom award 2020

**For a successful submission to the gamescom award it is necessary to comply with the following regulations. Please make sure that your game / product is not in conflict with any of the following criteria. Otherwise, its submission cannot be accepted.**

- The submitted game / product **has never been submitted for gamescom award in previous years.\***
- The submitted game / product **will be released in Germany or in my company's domestic market between the beginning of gamescom 2020 and the beginning of gamescom 2021**
- I've specified at least **one contact person** (see page 3)
  - responsible for the game / product during the submission process,
  - who is eligible to be called during a live streamed award ceremony.
- Gameplay footage** will be submitted alongside this form via link on page 3.  
Footage must feature:
  - approx. 10min duration
  - actual in-game core gameplay mechanics
  - sections rendered in applied graphics engine with camera angle(s) true to gameplay perspective
  - actual in-game soundscape  
Footage may feature:
  - voice-over commentary (preferably English)
  - display of technical achievements
  - display of gameplay innovations or features
  - aspects of community involvement, fan service etc.
